9 Housing Act 1988 section 13(2)

This act sets out the rules for rent increases, which can't be changed by any housing association. There is more information about this on the back of your rent and service charge review.

Paragraphs 1-6 explain how you can seek independent advice and how to make an appeal against your charges.

If you want to make an appeal, you must submit an application to the first tier property tribunal, who act independently for both of us, before the 3 April 2023.

Any ruling will be used to adjust the charges if these are reduced. If you dispute your charges after the increase date has passed, we won't make any changes to the charge increase.
