

Our Values

Represent who we are and what **we stand for.**

We're people focussed.

Our motivation is making things better and we hold ourselves and others to the highest standards. We understand our environment and change to stay ahead of the curve.

We're inclusive.

Our differences are our strength, when we listen to each other and pull together good things happen. Whoever you are, wherever you're from, your contribution matters.

We're professional.

We act with integrity and take ownership of our actions. We think about how our actions affect others and whether they will make improvements.

Our Behaviours

Our actions speak louder than words and we're all responsible **for the way we act.**

We do what we say we will and when we said we would.

We take pride in delivering for our customers and colleagues.

We're confident and innovative.

We know why we're here and we do what is needed to make things brilliant.

We work as one team to make things better.

We care about the work others do as much as care about our own.
